

Project Title: Gas Booking System (Gas Sakyo ?)

Your Name: Jenish Prajapati

#### Project Details

1. This Project will allow users to register for reservation or booking of gas.
2. This project will also allow users to have an option to have their gas delivered to their doorstep.
3. The client or the users can also check for the nearest gas suppliers from their location.
4. The gas suppliers can manually add the orders received through phone or email.
5. The gas suppliers are also reminded to check if a particular clients gas cylinder is empty or almost about to be ( Their average gas consumption is calculated) .
